## Product Guide

# AEROSOLS

## **Prozap Shu-Fly Spray (#197488045-CAN)**

25 oz/709 g, 6 per case, Domestic

Ideal for use around the home for complete insect control! Shu-Fly is a synergized pyrethrin aerosol designed to control mosquitoes, bees, wasps, hornets, gnats and spiders. Economy size for providing long lasting control of nuisance insects in and around the home.

## **Prozap Crawling Insect Killer (#248238045-CAN)**

16 oz/454 g, 12 per case, Domestic

Ideal for use around the home for complete insect control! Shu-Fly is a synergized pyrethrin aerosol designed to control mosquitoes, bees, wasps, hornets, gnats and spiders. Economy size for providing long lasting control of nuisance insects in and around the home.

## **Prozap LD-44Z Dairy Bomb (#247293515-CAN)**

13.5 oz/382.7 g, 6 per case, Commercial

High performing aerosol with quick knockdown and kill of nuisance flying insects. Contains 0.50% Pyrethrins and 4.80% PBO for effective control of flies, mosquitoes, biting midges, stable flies, house flies, horse flies, lesser house flies, deer flies, horn flies, and black flies. Ideal for use in animal quarters, dairies, milk rooms, milking parlors, calving areas, hog barns and other areas as listed. Can also be applied to beef cattle, dairy cattle, horses, hogs, chickens and other livestock for optimum control of nuisance pests.

## **Prozap Insect-Rid Metered Spray (#203903015-CAN)**

6.5 oz/170 g, 12 per case, Commercial

High performing aerosol designed to spray a metered amount of insecticide to control flies, mosquitoes, small flying moths and gnats. Contains 1.80% Pyrethrins and 9.60% of Piperonyl Butoxide for quick knockdown and kill. Designed for use with the ProMist'r Metered Dispenser and can control insects within 170 m3 of free flow air space. For use in plants, restaurants, stores, hotels, motels, public buildings, industrial settings, dairies, stables, barns, poultry houses and other listed areas. Compatible with most metered dispensers.

## **Prozap ProMist'r II Metered Dispenser (#CT789500)**

6 per case

Designed for use with Prozap Insect-Rid Metered Spray. Features power switch display, 24 hour or day only operation. When set at 15 minute intervals, will provide up to 30 days of coverage per refill. Compatible with most metered aerosols. Uses "D" size batteries.

# READY-TO-USE

## **Prozap Yard & Garden RTU Spray (#151807515-CAN)**

32 oz/946 ml, 12 per case, Domestic

Ready to use insecticide designed for use outdoors or in greenhouses throughout the growing season and as a pre-harvest treatment. Contains 0.02% Pyrethrin and 0.20% Piperonyl Butoxide for quick knockdown and kill of ornamental and crop pests including aphids, leafhoppers, cabbageworms, Japanese beetles, Colorado potato beetles, stink bugs and other insects as listed (see label for complete list).

## **Prozap Defender RTU (#146337015-CAN)**

1 gallon/3.785 L, 4 per case, Domestic

Ready to use insecticide ideal for use in and around the home. Water based and contains 0.1% Pyrethrins and 1.0% Piperonyl Butoxide. Effectively controls ants, cockroaches, flies, mosquitoes, wasps, hornets, spiders, silverfish, clover mites, crickets, carpet beetles, and clothes moths.

# CONCENTRATES

## **Prozap Annihilator-XP (#249279515-CAN)**

32 oz/946 ml, 6 per case, Commercial Multi-purpose emulsifiable concentrate for use on livestock areas, stored product and ornamentals. Can be used alone as a clean-up spray or a pre-harvest spray to control ornamental and garden pests, house flies, horse flies, hornets, lice, mosquitoes, stable flies, wasps and other insects as listed on the label. Contains 6.0% Pyrethrins and 60.0% Piperonyl Butoxide.

# PET PRODUCTS

## **Prozap Pet Guard Flea & Tick Shampoo (#204189015-CAN)**

12 oz/340 g, 6 per case, Domestic

Ready to use shampoo for dogs and cats. Provides control of fleas, brown dog ticks and American dog ticks. Contains 0.045% Pyrethrins, 0.086% Piperonyl Butoxide and 0.015% N-Octyl bicycloheptene dicarboximide.

## **Prozap Pet Guard Spray (#200347545-CAN)**

32 oz/946 ml, 12 per case, Domestic

A pet owner “must have” to guard pets against pests! Ready to use spray, controls fleas, ticks, flies and gnats on dogs and cats. Contains 0.10% Pyrethrins, 0.194% Piperonyl Butoxide, and 0.336% N-Octyl bicycloheptene dicarboximide. Convenient and easy to use.

## **Prozap Pet Guard IGR Flea Spray (#254918045-CAN)**

16 oz/454 g, 12 per case, Domestic

Aerosol spray designed to control fleas inside the home on pet bedding, carpets, rugs, drapes, upholstery, and other areas occupied by pets. Contains NYLAR®, an insect growth regulator, to prevent adult fleas from emerging by inhibiting development of immature fleas into biting adults. Contains 0.015% Pyriproxyfen (NYLAR), 0.40% Tetramethrin, and 0.30% d-phenothrin.

# FLY CONTROL DEVICES

## **Prozap Bovi-Rub**

10 foot, 2 per case, #5079610

5 foot, 4 per case, #5079710

Economical fly control solution for beef and dairy cattle. For use with approved backrubber solution. Convenient and easy to recharge. Durable nylon rope on each end for hanging in areas in which cattle must pass through to receive a dose of insecticide.

## **Bovi-Bullets**

16 per case, #5079810

Ideal for controlling face flies. Use with approved backrubber solution. Great for hanging above mineral and creep feeders.

## **Bovi-Strips**

10 per case, #5079910

For use in conjunction with the Bovi-Rub. Effectively wicks insecticide solution to provide protection from flies on “hard to reach areas”. Adequately applies solution to the face, neck, shoulders and sides of cattle by simply tying on the Bovi-Rub.
